PRODUCT: **RipTide™** □□ **Stock # 0610**

Description: A premium low pH detergent designed for use as the first step in “The Wave” cleaning system. Designed for use in frictionless systems but also effective in hybrid applications.

Color: Orange

Scent: None

Foaming Ability: Moderate

<u>Features</u>	=	<u>Benefits</u>
Titratable	=	Quickly determine dilution ratio.
Easy Rinsing	=	Reduced drying time.
Attacks mineral soils	=	Performs in tough conditions.

<u>Application</u>	<u>Strongest</u>	<u>Weakest</u>	<u>Average</u>
Frictionless Applications:	1:60	1:100	1:70
Hybrid Applications:	1:80	1:150	1:100
As a Bumper Prep:	1:10	1:30	1:20

Generally used as a first pass followed by an alkaline detergent such as WipeOut™ two part alkaline presoak, or another premium Lustra™ presoak such as Performix®, Advantage®, TheEdge™, Horizon, or The Option™.

Guidelines for Application

Water Quality: Use soft water whenever possible.

Solution Temperatures: Summer: 70-90°F Winter: 90-140°F

Dwell time: Decrease dwell time in extreme hot conditions to avoid evaporation of the solution on the surface of the vehicles.

Economy: Adjust dilution ratio to suit cleaning conditions. Reduce excessive volume through alternative nozzle sizes.

PRODUCT:

RipTide™

Stock # 0610

Alternative Products

The Answer® is a non-corrosive product with d-limonene for cleaning and a pleasing fragrance. **Launch™** is a lower cost alternative but does not have the pleasing citrus fragrance.

Special Instructions

Use Viton foot valves and Viton seals on metering devices.
