**PRODUCT:**                      **Spray-N-Shine™**                      **Stock # 1702**

**Description:** Spray-on tire protectant and shine. Non-staining, low-slinging formula leaves an excellent lasting shine.

**Color:** Opaque Yellow

<b><u>Features</u></b>	=	<b><u>Benefits</u></b>
Silicone components	=	Long lasting shine enhances customer appeal.
Water based	=	Easy application with sponge or Swabby.
Sprayable	=	For use manually or in automatic application equipment.

## **Guidelines for Application**

Apply full strength. Do not dilute. Spray on tires and wipe for even consistency or apply through automatic application equipment. It is generally not necessary to buff or re-wipe surfaces.

## **Special Instructions**

May alter appearance of painted surfaces and glass. If accidental contact occurs remove with damp cloth.

## **Alternative Products**

**Tire Jelly™** is a wipe-on tire protectant and shine. Non-staining, non-slinging formula leaves an excellent lasting shine.
