**PRODUCT:**

**Tire Jelly™**

**Stock # 1705**

**Description:** Wipe-on tire protectant and shine. Non-staining, non-slinging formula leaves an excellent lasting shine.

**Color:** Opaque Blue

<b><u>Features</u></b>	=	<b><u>Benefits</u></b>
Silicone components	=	Long lasting shine enhances customer appeal.
Unique consistency	=	Non-slinging formula – clings on tires.
Water based	=	Easy application with sponge or Swabby.
Blue color	=	Reduces visible residue on raised white letters.

## **Applications / Dilution Ratios**

Apply full strength. Do not dilute. Apply manually to tires with sponge or Swabby. Also provides shine and protection to interior vinyl and leather surfaces.

## **Guidelines for Application**

Put onto a clean soft cloth or sponge and apply directly to clean interior or exterior rubber or vinyl surfaces. It is generally not necessary to buff or re-wipe surfaces.

## **Special Instructions**

May alter appearance of painted surfaces and glass. If accidental contact occurs remove with damp cloth.

## **Alternative Products**

**Spray-N-Shine™** is a sprayable version of this product for hand sprayed and automatic systems.
