**PRODUCT:**

**UltraClear™**

**Stock # 2715**

**Description:** Clear liquid detergent for conventional and hybrid car washes, especially those with reclaim systems. Exceptional cleaning ability, good lubricity on cloth and brushes. Helps clean dirty cloth and keep it clean. Settles small particles in reclaim systems. Does NOT foam as much as standard body soaps.

**Color:** None

**Odor:** Mild

**Foaming Ability:** Moderate

**Features**

High Detergency

Sealant Compatible

Clears Reclaim

Versatile

= **Benefits**

= Very clean vehicles

= Cleaner cloth and tunnels

= Easier on equipment

= Use for all friction application

**Applications / Dilution Ratios**

Presoak application:

Dilute 1:80

Foam or spray on cloth:

Dilute 1:240

Wheels and tires:

Dilute 1:10 to 1:20

Hybrid presoak:

Dilute 1:60

**Guidelines for Application**

**Water Quality:** Soft water is preferable but hard water is acceptable.

**Solution Temperatures:** In Summer, cold water is acceptable. In winter heating the water up to 140°F will improve cleaning performance.

**Dwell time:** No special requirements for friction systems. Allow 20 seconds in hybrid tunnels.

**Economy:** Reduce volume through nozzle changes.

**PRODUCT:**

**UltraClear™**

**Stock # 2715**

**Special Instructions**

This product has many benefits over the standard body soap but it does not provide the same level of foam. The user should be aware of these differences. The use of "Foaming Nozzles" can improve the show of foam.

**Alternative Products**

**Foam-It™ or Sensation®** = High foaming body soaps without reclaim abilities.

**Performix® or Advantage®** = Presoak for frictionless and Hybrid washes with reclaim systems.
