

# IN & OUT

## HIGH SHINE, WATER BASED DRESSING

### DESCRIPTION:

Advanced water based dressing creates a "non-greasy" high shine on tires, engine components, moldings, trim, vinyl and more making this a must have product for use inside or out of the vehicle. Stands up to mild cleaning solutions and sunlight.

### ADVANTAGES:

- Use inside and out of the vehicle!
- Tropical scent leaves interiors smelling great!
- Blind testing proved to out perform name brand products!
- Creates amazing repeat business that your customers will ask for regularly!
- Water based dressing contains no VOC's! Non-Hazardous!
- Leaves surfaces without a "greasy" feel or residue.

### DILUTION RATIOS:

To solution as is to a clean surface. Repeat as necessary. Wipe off excess to reduce runs or smears. Keep of painted surfaces as it will leave a smeary residue.

### PACKAGING:

5-Gallon, 15-30-55-Gallon Drum
