

# SCRUB-X

## HI pH, FOAMING TIRE, RIM & WHITE WALL CLEANER

### DESCRIPTION:

This powerful, yet safe "ready to use" cleaner instantly removes oily grime, asphalt tack and brake dust from tire walls, rims and white-letters without the need for back breaking scrubbing. Inhibitors protect metal surfaces and orange solvent provides a nice clean scent and enhances cleaning performance!

### ADVANTAGES:

- Use as is or dilute up to 1:3!
- Makes the toughest cleaning quick and easy!
- High foaming for improved vertical cling and clean action!
- Readily biodegradable, contains no phosphates or phenolic surfactants!
- Easy on application equipment! Inhibitors protect metal surfaces!
- Readily Biodegradable!

### DILUTION RATIOS:

Wheels/Tires: Use as is for heavy cleaning or dilute to 1:3 for normal cleaning  
Do not apply to polished aluminum and cool extremely hot surfaces first before using!

### PACKAGING:
