

WHITE FOAM

NEUTRAL pH DETERGENT-CHERRY SCENT

DESCRIPTION:

Highly concentrated, neutral pH detergent provides very high foam, excellent lubrication and cleaning performance. Use as a foaming brush, in bucket and brush or in automatic car wash applications.

ADVANTAGES:

- Produces long lasting suds that clings and cleans yet is easily rinsed.
- Lubricates all friction materials allowing for a "squeak free" clean.
- Use in all car wash applications! Produces a nice cherry scent!
- Suitable for "hand mitt" washing!
- Very attractive barrel price!
- Readily Biodegradable!

DILUTION RATIOS:

Soap Foamer: 1:90-240+, Bucket and Brush: Add .5-1 ounce per gallon of water
HPS: 1:240-400 Wrap and Mitter Spray: Use 10 mL/application
